

BTP Waiver

Premier will not proceed with fabrication until this waiver is signed. Premier will cut to print measurements as provided by the customer since no template was completed. Premier is not responsible for measurements, transporting or installing of the finished product.

Please ensure you have looked the drawings over.

- Did you confirm that your color selection(s) are correct?
- Are your sink model(s) and sink reveal(s) correct? (if applicable)
- Are the faucet holes noted as requested? (if applicable)
- Did you confirm that all the measurements on the print are correct?

By signing below, you are acknowledging that all warranty is voided with self-installation.
